

LEGACY

MINISTRIES CANADA

LMC Partners Overview

This document outlines the different types of partners that support and further the work of Legacy Ministries Canada (LMC). Without these faithful partners the ministry could not function.

Prayer Partners

Prayer is the power that drives the success of any ministry and we are acutely aware of the need for prayer partners. Each quarter a prayer newsletter will be distributed to those who wish to pray for us. This will be sent via email and will contain a short update on the ministry and some items to pray for.

Knowledge Partners

LMC is a service organization and touches on areas that are highly informational. This requires the expertise of individuals who are skilled in various industries such as estate planning, legal counsel, financial advice and tax planning. Our knowledge partners help in various ways such as speaking at seminars, writing blog posts and joining us on podcasts and video.

Ministry Partners

The mission of LMC is to further the work of the Lord through our ministry partners. These partners are the hands and feet of the gospel and discipleship around the world. Our ministry partners support us by connecting LMC with their donor base and supporters. They also help financially and by providing updates to their work that we can pass along to those who are interested in learning more about their ministries.

Funding Partners

Every ministry has expenses that are necessary for the operation of the work. We do not take any amount of funds that are donated to other ministries for our operations. This means that 100% of our financial budget comes from our services, individual donors, churches and ministry partners. We are so thankful to the Lord for those who support us financially.

Help support LMC

If you would like to help support the ministry of Legacy Ministries Canada in any of the areas listed above please contact us at info@legacycanada.org or call us at 833-562-4483.

LEGACY

MINISTRIES CANADA

Knowledge Partner Overview

We love to see the work of the Lord advanced around the world. The great commission is clear that the church is to evangelize and make disciples. In order for the church to carry out this mission it requires the resources of God's people. It is amazing to see how God has gifted all of us with resources to use. LMC offers a number of services that are highly informational and technical. If you have expertise in the areas of estate planning, legal counsel, financial advice and tax planning we can use your help.

Knowledge Partner Requirements

We only have a few requirements to be a ministry partner of LMC. Please review them and see if you qualify.

1. **Statement of Faith.** All our Knowledge Partners adhere to our Statement of Faith and promote the truths within it. We do not focus on practice issues but on doctrine.
2. **Blog Contributions.** One of our main sources of information is our blog section of the LMC website. Partners contribute on a schedule that fits along with their busy lives. Typically a knowledge partner contribute an article every month or two months but more or less frequently can be discussed.
3. **Media Contributions.** One of the two main ways in which people consume content is through video and audio podcasts. Knowledge partners are encouraged to consider producing a short video or audio segment. It's not as difficult as you might think. :)
4. **Presentations.** LMC gives presentations on a regular basis. Knowledge partners can help by delivering presentations to our clients. This can be an exciting and helpful way to provide relevant and timely information.
5. **Financial Support.** While this is not a direct obligation, our Knowledge Partners do support us financially as they see the value of the work and effort of LMC. We do not specify the amount of support and we leave that to each individual to give as they are directed by the Lord.

Become a Knowledge Partner

We are always looking for help from skilled people that meet our requirements. If you would like to help LMC, please contact us for more information and to see up a meeting to discuss.
